

TOMORROW STEMS FROM IOWA

Give every child the chance to succeed in math.

The Iowa Governor's STEM Advisory Council has chosen **Teachley Math** as an exemplary STEM program. Teachley's K-5 math intervention builds conceptual understanding, fluency, and problem solving skills. Through deeply engaging, standards-aligned content, *Teachley Math* is proven to enhance student achievement.

No Cost to your School or District!

You just need to apply!

Effective Instruction

Supports all learners - Teachley's strong visual and audio scaffolds support all students to succeed.

Deeply Engaging - Our programs promote sustained math engagement through adaptive games, books, videos and lessons in the classroom and at home.

Research-based - Founded by teachers with PhDs in cognition and learning, Teachley embeds research at every stage of development.

We're on a mission to [#MakeMathFun](#) and help ALL elementary learners succeed in math.

Join us!
